

ÖSSUR MEDICAL OFFICE CONGRESS 2017

 Iceland
May 25-26, 2017

Prevention, Treatment & Consequences of Cruciate Ligament Injuries – Is Osteoarthritis Inevitable?

We believe in the importance of continuous education and strive to provide up-to-date, medically aligned education on prevalence trends, risk factors, diagnostics and treatment options for doctors, care-givers and patients alike, and to encourage continuous conversations around those topics.

May 25

Reykjavik University

Moderator: Professor Jon Karlsson

- 08:30 **Registration**
- 09:00 **Welcome**
Micah Nicholls, Medical Director, OA & Injury, Össur
- 09:05 **Epidemiology and prevention of knee ligament injuries**
Professor Grethe Myklebust, Norway
- 09:45 **ACL mechanism of injury**
Dr. Tron Krosshaug, Norway
- 10:25 **Coffee**
- 10:40 **The Future of ACL Injury Management in the Athlete**
Dr. Bert Mandelbaum, USA
- 11:20 **Revision ACL reconstruction, Current surgical technique and clinical problems**
Professor Norimasa Nakamura, Japan
- 12:00 **Lunch**
